Getting to know the changing times of Halifax County: Where We Started, Where We Are and Where We Are Going! Thanks to our guests! The students were able to ask questions to community members about their views on education and their individual life experiences.

The students were excited to take AR tests!

Information

The students' field trip at Franklinton Center at Bricks was very interesting and rich with history for Black Americans. Students learned about traditions and how education was for Black Americans from 1865 during a short talk, guided tour and displays.

The students also visited Historic Halifax, NC. They enjoyed the audiovisual presentation, exhibits, guided tour and displays about the history of the town.

Sports

Miami Heat team won for 2nd Grade and Wild Cats team won for 3rd Grade.

Entertainment

Dance to the tune for warm up!!!

Blogging for educational and fun activities! Kidblog.com was simple and easy to use for the kids.
